Please note the technical data of the products!

Article Numbers: 143332, 143331, 143330

Safety Instructions:

- Be careful when stacking: The bar stools are stackable, but excessive stacking can also lead to instability. Observe the maximum stacking height of 6 bar stools to prevent tipping over.
- Protection from sharp edges: Check the edges of the seat shell and frame for sharp edges to prevent cuts.
- Caution during assembly: Ensure that the frame is correctly assembled to avoid the risk of tipping over. Check the assembly and stability before use.
- Not suitable for children: The bar stool is not suitable for small children due to the seat height and materials. Not suitable for children under 3 years of age, choking hazard due to small parts and improper use. Possible choking hazard due to small parts (e.g. screws or connectors). Do not use unsupervised in the vicinity of small children.
- Before use, prevent the bar stool from being used near open flames or heat sources.
- Always use the bar stool on a stable, level surface to prevent it from swaying. Ensure a secure stand and stable use to avoid the potential for tipping.
- Only use the product in the intended area of application.
