Safety Instructions:

- Risk of suffocation due to incorrect use of the insertion slot. Ensure that the insertion slot is not overloaded and keep it closed when the container is not in use.
- Ensure that the hinged lid is properly secured to prevent injuries. Caution: Risk of injury due to improper handling of the lid.
- Not suitable for children under 3 years of age due to possible choking hazard from small parts. Caution: Small parts may pose a choking hazard for children.
- Food safe - use only for the intended purpose. The product is food safe, but keep it away from direct heat sources and do not use it in direct contact with hot objects to avoid the risk of melting or fire.
- For safe use, always follow the instructions for use supplied.
