Safety Instructions:

- The product must always be connected to seating elements to ensure stability and avoid the risk of falling or injury.
- Avoid use in areas with excessive moisture or direct sunlight in order to preserve the service life of the material.
- Be careful when handling to avoid injury from knocks or crushing.
- Not suitable for children under 3 years due to small parts, and children should not play with it as it can be wobbly without seating elements.
- Keep the product away from water and moisture as it is not waterproof and avoid spraying liquids.
- Regular checking of the connection with other components is recommended to minimise risks.
- Do not use the product near open flames or other sources of heat.
- Make sure that the fabric covers used do not pose a fire hazard and fulfil specific fire protection requirements.
- Only use the product in accordance with the intended instructions for use.
- Make sure that the fabric cover does not contain any harmful substances and is suitable for indoor use.
- Clean the fabric cover regularly to prevent the accumulation of dirt and bacteria.
