Safety Instructions:

- This item is a piece of furniture and should not be used for climbing to avoid injury.
- Designed for use in public areas, regular inspection for possible damage or wear and tear should be carried out to ensure safety and durability.
- Avoid using the product in areas with high humidity or extreme temperatures to prevent material wear.
- Ensure that the item is always securely connected to other seating elements, as it is unstable without feet.
- Keep out of reach of children to avoid choking hazard. Not suitable for children under 3 years of age due to choking hazard from small parts.
- Check the fabric cover regularly for wear and damage. Keep away from fire and direct heat sources. Seat cushion is made of 100 % polyester treated in accordance with the PN-EN 1021-1 cigarette test - beware of naked flames.
- May be perceived as a toy by children due to its shape and size, therefore supervision is required.
- Ensure that the stability of the product is guaranteed during use.
- Carefully read and follow the installation instructions before first use.
