Article Numbers: 14578, 14571, 14553

Safety Instructions:

- Before use, ensure that the table top is stable and securely attached to avoid the risk of tipping and accidents.
- Edges and corners can be sharp; take care when handling sharp edges to avoid injury.
- The table top is not suitable for extreme temperatures; avoid direct sunlight and keep the table top away from excessively high temperatures.
- Clean the table top with a damp cloth, do not use abrasive or acidic cleaning agents.
- Keep the table top away from moisture to prevent deformation and damage to the material.
- Check regularly for damage and repair or replace if necessary to prevent injury.
- The table top is not suitable for children without supervision and should not be used as play equipment in order to minimise the risk of falling and injury.
- Avoid placing heavy objects on the table top to prevent it from tipping over.
