Safety Instructions:

- Products may contain sharp-edged parts.
- Ensure that the movable wall is placed on a stable, level floor to prevent instability and tipping over.
- The movable wall is not suitable for children; risk of injury due to improper use.
- Follow the manufacturer's installation instructions and assembly instructions exactly.
- Regularly check the safety and stability of the partition wall.
- Do not install the partition wall near heat sources.
- Attention: Glass fillings can break, please handle with care and keep children away.
- Keep a safe distance from other objects during installation.
- Use suitable connecting fittings for additional stability.
