Safety Instructions:

- Ensure that the movable wall is stable and will not tip over. Use suitable levelling feet with floor levelling screws to ensure stability. Improper assembly can cause tipping and injury.
- Avoid overloading the partition wall with heavy objects to ensure stability and avoid applying excessive force when assembling.
- Watch out for sharp edges and corners on the metal frame and on the connecting fittings to avoid injury.
- Do not place the product near heat sources or naked flames.
- Follow the handling and installation instructions carefully. This should only be carried out by qualified personnel.
- Not suitable for children under 36 months to avoid choking hazard.
- Follow environmentally friendly procedures when disposing of the partition wall.
