Safety Instructions:

- Ensure that the whiteboard is securely mounted and attached to a stable surface to prevent it from falling.
- Pay attention to the maximum load capacity of associated parts and check them regularly for damage; replace damaged parts immediately.
- The product is for indoor use only and should be protected from water and moisture to prevent damage.
- Only use recommended or suitable markers and cleaning agents to avoid damaging surfaces.
- Children should not have access to small parts or magnets to avoid the risk of choking or swallowing.
- The whiteboard is not a toy and should not be treated as such; keep it away from children.
- Assembly and use should ensure that storage trays and accessories are firmly attached to prevent them from slipping or falling.
- Only use gentle cleaning agents and do not press too hard to avoid damaging surfaces.
- Avoid using sharp or aggressive objects or cleaning agents so as not to damage the coating.
- Keep the work surface clean and dry to ensure functionality.
