Article Numbers: 74187, 74143, 150442

Safety Instructions:

- Not suitable for children, as confusion with food may occur if made of food-safe material.
- Do not heat above 40°C to avoid damage.
- Not suitable for handling highly corrosive chemicals without consultation.
- For outdoor use, ensure UV resistance and protect from direct sunlight.
- Avoid aggressive chemicals that are not authorised by the manufacturer.
- For food-safe applications: Ensure cleaning to prevent contamination.
- Use only for intended materials to avoid health risks.
- Do not use for the transport of hazardous substances.
- When using chemicals: Observe protective measures.
- Do not use beyond the temperature-resistant limit values.
- Avoid overloading the container during transport.
- Observe local regulations when disposing of the product.
