Safety Instructions:

- To avoid injury due to improper use of the hand dispenser, follow the operating instructions.
- Take care when handling the stretch film, especially with sharp objects, to avoid injury.
- Stretch film should be kept out of the reach of children to avoid the risk of suffocation.
- The hand winder is only suitable for use with suitable rollers in accordance with the stated specifications.
- Ensure that no straining postures are adopted when wrapping pallets in order to prevent injuries.
