Safety Instructions:

- Not suitable for children under 3 years due to small parts.
- Products should be kept out of the reach of children.
- Make sure that the label pockets do not get into the hands of small children to avoid the risk of suffocation.
- Make sure that the surface is clean and dry before attaching the label pocket. Improper handling can damage the adhesive surface of the label pockets.
- Check the adhesion to your surface before inserting the labelled documents.
- Clear instructions for safe handling must be included to prevent misuse.
- Read the product packaging and instructions carefully to ensure safe use.
- Packaging materials are not suitable for human consumption.
- The product should only be used for its intended purpose.
