Please note the technical data of the products!

Article Numbers: 58236, 58235, 58234, 58233, 58232, 58231

Safety Instructions:

- The label pouch should not be used in the vicinity of strong magnets or strongly magnetic devices.
- Small parts should be kept out of the reach of children to avoid the risk of choking. The product is not suitable for children under 3 years of age, as small parts can be swallowed.
- The products should not be exposed to extreme temperatures in order to prevent deformation.
- Avoid contact with water to prevent damage and to avoid impairing the adhesive force of the magnetic surface.
- Only use the product for its intended purpose to avoid safety risks.
- Do not stack or overload to prevent damage.
- Before use, ensure that the label pocket is properly magnetically attached to prevent it from falling down.
- Ensure that no sharp objects are inserted into the bag to avoid injury.
- Improper use can damage the product and impair safety. If used incorrectly, magnetic parts can come loose, which can lead to the risk of injury.
- The product does not ensure that the cardboard inserts remain secure, so care should be taken to ensure that they are securely fastened.
- Ensure that the labelling pouches do not come into contact with food unless they are approved for this purpose.
- The instructions for use and safety information must be carefully observed.
