Safety Instructions:

- Take care when handling the chair to avoid the risk of injury from falling over or becoming trapped.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Stackable up to 6 high, so make sure that the chairs are stable to prevent them from tipping over.
- Plastic armrests can be damaged if handled incorrectly - handle them with care.
- Avoid excessive strain on the chair so as not to jeopardise the safety of the product.
- Do not use the chair on uneven surfaces as this may affect its stability.
- Regularly check the stability of the armrests and upholstery for wear or damage.
- Keep the chair away from naked flames and hot surfaces to avoid the risk of fire.
- The chair is intended for seated use only. Standing or climbing on it can be dangerous.
- Avoid direct contact with water and other liquids to protect the upholstery fabric.
- Avoid sudden, violent movements when stacking to prevent injuries.
- Ensure that sharp or pointed objects are kept away from the armrest.
