Article Numbers: 153451, 153450

Safety Instructions:

- Choking hazard due to small parts of the belt.
- Risk of electric shock due to improper handling of the battery.
- Safety and operating instructions must be observed.
- The battery may only be replaced by authorised personnel.
- Observe user protection when using the strapping tool.
- The product may only be used in the intended manner.
- Caution! There is a risk of injury from the strapping tool if used incorrectly.
- Only use the device with suitable PET or PP plastic tape with a width of 13-19 mm.
- Check the condition of the battery regularly and only use the intended Li-Po battery (14.4 V/2.0 Ah).
- Keep the appliance and the work area away from children and only use it in the intended area of application.
- Wear suitable personal protective equipment, including gloves and safety goggles, to avoid injury.
