Article Numbers: 193285, 193284

Safety Instructions:

- There is a risk of injury during installation; appropriate safety measures must be taken.
- Suspension ropes are infinitely adjustable; improper handling can lead to a risk of falling.
- When using in rooms with children, ensure that no small parts can be swallowed.
- The product should have a reverberation time of at least 0.4 seconds for optimum speech intelligibility.
- Use the product in accordance with the manufacturer's instructions to minimise risks.
- Fasten the ceiling canopy securely and stably during installation to avoid the risk of falling.
- Improper use could damage the product and pose a safety hazard.
- Avoid using the ceiling sail in rooms with high humidity to prevent mould growth.
- Due to the size, qualified personnel are recommended to install the product.
- Lightweight parts during transport or assembly could pose a choking hazard for children.
