Safety Instructions:

- Ensure secure mounting structures to prevent the ceiling sail from falling or breaking off. Ensure that the suspension cables are stable and are checked regularly.
- Avoid direct sunlight to minimise discolouration and material damage.
- Keep sharp objects away from the surface of the ceiling canopy to prevent damage.
- Use the required tools safely during installation.
- Avoid looking directly into the surface of the ceiling canopy in strong light to prevent glare.
- Ensure that the maximum suspension length of 900 mm is not exceeded.
- The product is not a toy. Keep it away from children.
- Follow the installation instructions carefully to avoid installation errors. Installation should be carried out by a specialist.
- Ensure that the ceiling canopy is suitable for the intended ceiling load and is regularly checked for damage.
