Article Numbers: 193297, 193296, 193295

Safety Instructions:

- To avoid injury, do not touch the ceiling sail directly.
- Secure the suspension cables properly to prevent the ceiling sail from falling down.
- Ensure that the ceiling canopy is securely mounted to the ceiling to avoid the risk of falling.
- Avoid contact with water or moisture to protect electrical components and the product from damage.
- Follow the installation instructions carefully to ensure safe use.
- Ensure safe installation and use of the ceiling sail to avoid the risk of falling or injury.
- Enclose installation instructions and safety instructions.
- Do not use the product beyond the maximum suspension length of 900 mm.
- When using in rooms with special requirements (e.g. schools, daycare centres), observe the special safety precautions.
- To avoid damage or injury, ensure that the product is only used for its intended purpose.
- This product is intended for permanent installation, ensure that it is properly secured during installation.
- The suspension cables are infinitely height-adjustable; check the stability of the installation regularly.
- Ensure that the product is installed out of the reach of children.
