Please note the technical data of the products!

Article Numbers: 193311, 193309, 193308, 193307, 193306

Safety Instructions:

- Do not install near water sources or liquids to avoid material changes and impairment of material integrity.
- Protect from direct sunlight to avoid discolouration of the material.
- Do not use the product for children under 3 years of age to avoid the risk of choking on small parts.
- If the product is damaged, stop using it and contact the manufacturer. If the product is damaged, take it out of service immediately.
- Only use indoors and do not install in overheated or humid environments.
- Do not use aggressive chemicals for cleaning.
- Hang securely and ensure that the product is firmly and securely mounted on the wall to prevent falls.
- Keep away from children to minimise the risk of injury or damage and as it can be harmful if viewed as a toy by young children.
- May have sharp edges, take care when handling.
- Follow the installation instructions carefully and installation should only be carried out by trained personnel. During installation, ensure that all brackets are properly secured.
- Do not place near sources of heat or naked flames.
- Please refrain from contact with hot surfaces.
