Safety Instructions:

- Product not suitable for children under 3 years of age, as small parts may pose a risk of injury. Keep small children away from the board to avoid further injury.
- Ensure that the panels are securely and stably attached to the wall to prevent them from falling and causing injury. Use the recommended fixings, suitable hooks or rails for wall mounting.
- Regularly check the panels and their fastenings for damage and loose parts. In the event of damage, discontinue use and contact customer service.
- Do not insert excessive weights into the insertion flaps, as this can lead to deformation. Panels are only designed for documents with a maximum thickness of 2 mm.
- The insertion sheds should be checked regularly for damage to ensure safe use. Be aware of the risk of suffocation when using small parts in the insertion shed.
- Do not set up the panels near heat sources or damp locations.
- Do not use the boards as toys. Not suitable for children.
