Please note the technical data of the products!

Article Numbers: 59480, 59479, 59478

Safety Instructions:

- Install screws and hooks properly and ensure that the board is firmly and securely mounted on the wall to prevent it from falling.
- Avoid sharp edges during installation to prevent cuts.
- Set up or fasten the board stably to minimise the risk of it falling over.
- Keep the board away from children to avoid injury from improper use.
- Only use panels in dry environments to prevent corrosion and damage.
- When fixing to the wall, pay attention to the load-bearing capacity in order to avoid serious injury from falling.
- Use suitable fastening elements that can withstand the weight and intended use of the panel.
- Ensure safe access to compartments to minimise the risk of injury.
- Metal frame and other elements can be sharp-edged if used improperly, caution required.
- Not suitable for children under 3 years due to choking hazard from small parts.
