Please note the technical data of the products!

Article Numbers: 59390, 59389, 59388, 59370, 59369, 59368

Safety Instructions:

- Only use the product for its intended purpose.
- Ensure that the wall mounting is stable and the board is securely mounted to prevent accidents (risk of falling, risk of fixing).
- Use a maximum document thickness of 2 mm in the insertion shed to avoid damage.
- Do not place heavy objects on the board to prevent loss of stability.
- Regularly check the fastenings and stability of the panel.
- Sharp edges can cause injuries, observe safety precautions.
- Choking hazard due to small parts such as screws and hooks; board not suitable for children under 3 years of age.
- Keep small children away from the board to avoid injury from sharp edges or falling objects.
- Before use, ensure that mounting materials are available and used correctly.
- Avoid risk of injury when removing or moving material from the panel.
- Walls must be stable enough to support the weight of the board and the material.
