Please note the technical data of the products!

Article Number: 162690

Safety Instructions:

- Make sure that the panels are securely attached to the wall profile to prevent them from falling down.
- The boards should be transported with care to avoid injuries caused by careless handling.
- Keep the panels away from heat sources and direct sunlight to prevent the plastic from deforming.
- Use the coloured labels in accordance with the instructions to ensure clear and safe identification of work processes.
- Use by children should be supervised to prevent incorrect or improper use.
