Article Numbers: 90070, 90069, 90007, 90006

Safety Instructions:

- Avoid use at temperatures outside -20°C to +80°C to prevent material changes.
- Not suitable for use by children; improper handling may result in injury. Not suitable for children under 3 years of age due to small parts.
- Not suitable for contact with food.
- Avoid contact with aggressive chemicals or abrasive materials.
- Drawers are made of conductive polypropylene; be careful when using them.
- Caution: Drawers can slide on smooth surfaces, ensure safe storage position.
- Do not use near naked flames or heat sources. Do not store near heat sources to avoid deformation.
- Use without suitable labels can lead to confusion. Procure labels separately.
- Beware of sharp edges or corners during use.
- Ensure safe disposal of the drawers.
- Use in the vicinity of electronic components could cause ESD risks. Avoid using with electrical devices to prevent strong static charges.
