Please note the technical data of the products!

Article Numbers: 151518, 151516

Safety Instructions:

- Do not use for the storage of flammable liquids.
- Protect from direct sunlight to avoid deformation.
- Temperatures outside the recommended range (-20°C to +80°C) can impair the strength.
- There is a risk of injury if handled incorrectly.
- Check the integrity of the product before use.
- Be careful when stacking: Do not overload the containers to prevent them from tipping over.
- Not suitable for direct contact with hot liquids.
- Protect from direct sunlight and frost.
- Do not heat or store above 80 °C.
- The product must not get into the hands of small children, as it can be filled with liquids and could pose a choking hazard if handled incorrectly.
- Only use for the storage of authorised liquids in accordance with the specific regulations.
- Read the instructions for use carefully and keep them in a safe place.
