Safety Instructions:

- Make sure that the table is stable and securely mounted and that it is placed on a stable and level surface to prevent it from wobbling and tipping over.
- Avoid overloading the table with heavy objects to prevent damage to the table top or frame.
- Keep children away from the table during assembly and use to avoid injury from falling parts or falls. The product is designed for use by adults.
- Clean the surface with a damp cloth and mild detergent to prevent damage. Avoid sharp or abrasive objects on the tabletop.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts. The product should be kept out of the reach of children.
- Self-assembly should be carried out in accordance with the enclosed instructions. Two people are recommended to avoid injury or damage.
- The table must be checked regularly for stability and possible wear and tear.
- Make sure that the table edges do not have any sharp corners to prevent injuries.
- Keep the table away from moisture to prevent damage to the chipboard or the surface.
- When used in public areas, the table should be secured to prevent it from falling over.
- Instructions for installing and using the product must be easy to understand.
