Safety Instructions:

- Not suitable for children under 3 years of age, as it may contain small parts to avoid the risk of choking.
- Avoid contact with water and do not use the frame in places with high humidity to prevent rust or damage.
- Keep the product away from children to prevent damage or injury.
- Ensure that the magnetic frame is not placed near electronic devices to avoid interference. Magnetic strips can be strong; take care when using near electronic devices.
- Only attach the frame to stable, load-bearing surfaces to minimise the risk of falling.
- Keep the frame and contained leaves away from extreme temperatures and direct sunlight to avoid discolouration or deformation.
- Regularly check the condition of the frames and the magnetic strips for wear or damage to avoid safety risks.
- The magnetic strips must be secured against improper use.
- Do not set up near fire or heat sources.
- Do not use sharp objects on the frame surface.
