Please note the technical data of the products!

Article Numbers: 181915, 181908

Safety Instructions:

- The brochure sleeves are not suitable for children under the age of 3 and should be kept out of the reach of children to avoid the risk of choking on small parts.
- Avoid contact with sharp objects or chemicals to prevent damage to the brochure covers.
- Check the product regularly for damage, as the sleeves can tear if used improperly; ensure appropriate handling.
- The brochure covers are not intended for use in environments where they are exposed to extreme temperatures or high humidity.
