Safety Instructions:

- Keep the brochure sleeves out of the reach of small children to avoid the risk of suffocation from foil parts.
- Avoid exposure to high temperatures or direct sunlight to prevent possible discolouration or damage to the material.
- Do not use to protect sensitive documents as product standards vary. If unsure, consider a special protection solution.
- Caution: Not suitable for children under 3 years due to small parts.
- Caution: Improper handling can result in sharp edges.
- Please ensure that the product is checked regularly for damage.
- Keep the product away from moisture and extreme temperatures to ensure its quality.
- The product is made of polypropylene and should not come into direct contact with food.
- Keep the product away from sources of fire or avoid excessive heat to prevent deformation.
- Avoid contact with sharp objects so as not to damage the material.
