Safety Instructions:

- The display case should be placed in a stable position to prevent it from toppling over.
- Sharp edges of the glass can pose a risk of injury; therefore take care when handling.
- The lighting should only be installed by a qualified person in order to avoid electric shocks.
- Keep small children away from the display case to avoid injury from tipping over or smashing the glass.
- The display case may only be used with the decorative shelves and accessories intended for this purpose.
