Article Numbers: 157016, 157015

Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Do not overload drawers. Maximum load capacity per drawer: 75 kg.
- Only operate on a level, stable surface.
- Avoid pulling excessively on the drawers to prevent the cabinet from tipping over.
- Use according to the instructions in the manual.
- Only use the product in accordance with the manufacturer's instructions and specifications.
- Before use, ensure that the drawers are properly closed to prevent accidents.
- Consider barriers or other obstacles to use in order to avoid injuries.
- Avoid using drawers with the contents fully pulled out to reduce the risk of tipping.
- Do not install the product near heat sources or in damp environments.
- In the event of damage or failure, contact the manufacturer immediately.
