### Safety Instructions:

- Take care when using sharp tools or pointed objects near the work surface.
- Only open drawers one at a time to prevent the furniture from tipping over; ensure safe opening and closing.
- The product is not suitable for children under the age of 14; use only by adults or under supervision.
- The work surface can become scratched during intensive use; special care is required.
- The furniture should be placed on a flat surface to ensure stability; pay attention to stability to avoid tipping over.
- Choking hazard due to small parts in the drawers.
- Protection against the risk of crushing when closing the drawers.
