Safety Instructions:

- Observe the table height adjustment to avoid injuries.
- Floor levelling screws can be used; ensure stability.
- Clean surfaces with disinfectant; test compatibility on an inconspicuous area.
- Avoid risk of injury from sharp edges.
- Product for commercial use; not suitable for children.
- Do not use the table as play equipment for children.
- Mount all parts firmly to ensure stability.
- Avoid sharp objects on the table top to prevent scratches.
- Check the table regularly for damage and wear.
- Keep products at a safe distance from heat sources and naked flames.
- Clean the table top with a damp cloth and mild detergent if necessary.
- Avoid use in extreme temperatures or direct sunlight to prevent damage.
- Delivery and assembly according to instructions for stability and safety.
- Do not stand or jump on the table top.
- Avoid dangers due to high loads.
- Avoid danger to life due to improper use of the table frame.
- Avoid the risk of slipping in case of insufficient levelling.
- Make sure that the table is placed on a stable base to prevent it from wobbling or tipping over.
- Keep away from children and pets to avoid injury from objects being pulled down.
- To protect the surface, do not use aggressive chemicals for cleaning.
- Risk of choking from small parts for small children, if present.
