Article Numbers: 211297, 211296, 211295, 211294, 211293, 211292, 211291, 211290

Safety Instructions:

- Choking hazard due to small parts, therefore not suitable for children under 3 years and keep away from small children.
- Ensure the stability of the belt post to prevent it from falling over: The belt post must be securely anchored and stably positioned.
- Only use the belt post in accordance with the intended specifications and not for other purposes.
- Do not use the product near passageways or heavily frequented areas, sharp edges, heat sources, wet areas or driveways to avoid tripping hazards and other dangers.
- Do not pull beyond the maximum belt extension length: Maximum recommended length 2 m or 2.3 m to ensure safety.
- Before use, ensure that all parts are intact and properly attached; check fastenings and read safety information carefully.
- Use under adult supervision recommended.
- The materials used in the product comply with the applicable safety standards.
- Keep children away from the belt cassette to avoid injury.
- Do not pull on the strap extension length if the strap is not fully retracted.
- Caution: Choking hazard in the 4-way cassette.
