Please note the technical data of the products!

Article Numbers: 211337, 211336, 211335, 211334, 211333, 211332, 211331, 211330

Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Ensure that the belt post is firmly anchored on a stable base to prevent it from tipping over.
- Do not overload and do not exceed the maximum belt extension length of 2 m (recommended up to 2 m).
- When using the belt, ensure that there is no risk of tripping.
- Risk of injury due to improper use of the belt; check regularly for signs of wear.
- Do not pull out the webbing excessively to prevent injuries caused by recoil.
- Avoid contact of the belt with hot surfaces and heat sources to prevent melting and the risk of fire.
- Only use the product indoors, as outdoor use can lead to damage.
- Ensure safe use in the vicinity of children.
- Carefully read and observe the user manual and installation instructions.
- Risk of electric shock from electrical components (if present).
- If used on slippery surfaces, take additional stability measures.
