Article Numbers: 211347, 211346, 211345, 211344, 211343, 211342, 211341, 211340

Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Use with caution when docking to other belt posts.
- Belt posts must be set up stably and securely to prevent tipping and falls, especially on uneven surfaces.
- The product must be used on stable and level surfaces to avoid accidents.
- The maximum extension length of the belt of 2 metres must not be exceeded in order to prevent damage.
- Choking hazard due to small parts that can be detached if handled incorrectly.
- Risk of falling due to the belt post tipping over.
- Risk of injury due to improper use of the belt cassette, especially when pulling the belt in or out.
- The product must not be used in extreme weather conditions.
- Regular inspections for damage or wear and tear are necessary.
- Check the slip resistance of the floor plate regularly to prevent it from slipping.
- Follow the operating instructions carefully to avoid improper use.
- Do not store belt posts near sources of moisture or extreme temperatures.
- Do not use any electrical components during installation to avoid the risk of electric shock.
- Keep sufficient distance when extending and retracting the belt strap.
