Safety Instructions:

- Ensure that the end frame is securely mounted and stable to avoid the risk of it falling over.
- Watch out for sharp edges or points that could cause injury and defuse them if necessary.
- Follow the installation instructions to ensure safety during installation.
- Pay attention to the height and weight of the user during use to avoid overloading.
- The instructions for safe installation and use must be enclosed with the product.
- Before use, check that there is no visible damage to the end frame.
- If the frame is used in the vicinity of children or elderly people, take special precautions.
- Ensure that the shelf ends are sufficiently stable.
