Safety Instructions:

- Ensure that the shelf is securely and stably mounted or suspended to prevent accidents.
- Avoid overloading the floor to minimise the risk of structural failure.
- Secure loose objects on the floor to prevent them from slipping or falling.
- Regularly check the condition of the shelf for damage or wear to ensure safety.
- Make sure that the wood-based panel does not have any sharp or splintering edges.
- Only use the product on an appropriate, stable load capacity.
- Use by children is only permitted under adult supervision.
