Safety Instructions:

- The transport trolley can become very heavy when loaded. Lift and carry correctly to avoid injury.
- Not intended for use by children. Keep the transport trolley out of the reach of children.
- Ensure that the container is correctly latched into the transport trolley to prevent unintentional slipping. The container must be properly locked in the trolley before transport.
- The use of suitable protective gloves is recommended to prevent injuries to hands and fingers.
- The transport trolley should only be used on stable, level surfaces to prevent tipping and accidents.
- Ensure use only with the appropriate brute containers.
- Avoid permanent damage to the chassis due to excessive loads or improper use.
