Article Numbers: 91655, 91654, 91653, 91652, 91651, 91650, 91649, 91648

Safety Instructions:

- Caution: Sharp edges on the worktop can cause injuries. Avoid direct contact with them and protect yourself accordingly.
- Do not exceed the maximum load specified by the manufacturer to avoid damage and tipping over.
- Only suitable for indoor use, protect from the weather.
- Only use the product for its intended purpose to avoid injury.
- Keep the work area free of hazardous substances and objects.
- Make sure that the table is mounted on a stable, level surface to prevent it from tipping over.
- Carefully follow the manufacturer's enclosed instructions during installation and handling in order to minimise risks.
- Designed for commercial use, not suitable for private use.
- Avoid contact with hot surfaces to prevent burns.
- Stainless steel surface can be slippery, be aware of the risk of slipping.
- Keep the workplace dry to minimise the risk of slips and falls.
- Use suitable protective equipment when working with tools or in connection with heavy loads.
- Not suitable for use by children.
