Article Numbers: 99165, 99164

Safety Instructions:

- Only use the workbench for its intended purpose to prevent injury.
- Ensure that the maximum load capacity of 500 kg is not exceeded.
- Keep the work area clean to avoid tripping and falling hazards.
- Secure all tools and materials safely to prevent accidents caused by falling or tipping over.
- The drawers may only be used up to a maximum load of 80 kg to prevent damage.
- Keep children and unsupervised persons away from the workbench to avoid injury.
- Wear suitable personal protective equipment, such as gloves and safety goggles, while using the workbench.
- Store heavy tools or materials evenly distributed in the drawers.
- Ensure that the workbench is placed on a stable, level surface to prevent it from wobbling or tipping over.
