### Safety Instructions:

- Maximum load capacity of the workbench: 500 kg. Do not exceed this.
- Set up the workbench on stable, level surfaces to prevent it from tipping over or wobbling.
- Maximum load per drawer: 80 kg. Load drawers evenly to prevent tipping.
- Observe the safety information on installation and use in the instructions.
- The product is not suitable for children. Drawers must not be used as toys. Keep the product away from children.
- In the event of damage or wear that impairs safety or function, stop using the product and contact us.
- Sharp edges of the multiplex plate can cause injuries. Use suitable protective gloves and clothing.
