### **Safety Instructions:**

- Not suitable for playing. Please keep the box out of the reach of children, especially not suitable for children under 3 years of age due to small parts that can cause a choking hazard.
- Avoid sharp edges or corners as they can cause injuries during assembly.
- Ensure protection from moisture to prevent damage to the product and the metal elements. Keep the box away from sources of water and direct sunlight to prevent material damage and rust.
- Do not overload the box or place excessive weight on it to prevent it from tipping over and being damaged. Please note the maximum storage capacity of 22 standard cases or 44 slim cases.
- Avoid contact with extreme temperatures, especially high temperatures and direct heat sources, to prevent deformation and material damage.
- The box is not fireproof. Keep away from naked flames.
- For safe use, the instructions and safety information must be provided in an easily understandable form.
