Safety Instructions:

- Small parts pose a choking hazard, not suitable for children under 3 years.
- Only use the organisation box in the intended frame to avoid damage or injury.
- Keep the box away from moisture and extreme temperatures to prevent damage.
- Read the instructions in detail before assembly and ensure that all parts are correctly fitted.
- Observe behaviour to avoid crushing injuries during assembly and dismantling.
- Do not use the box near open flames or extreme temperatures.
- Pay attention to edges and corners during transport to avoid injuries.
- Do not place excessive weights on the box to prevent deformation.
- Product not suitable for children under 3 years of age as it may contain small parts.
- Do not expose to direct sunlight or moisture and do not store near heat sources.
- Limit the use of the product to its intended purpose.
- Please note that the box must not be used as a ladder or chair.
- To ensure safe use, check all parts before assembly.
- Ensure a dry and clean environment to guarantee shelf life.
- Keep away from sharp objects due to the materials used.
- Regular inspection for damage and wear is recommended to prevent accidents.
- Improper use or misuse may result in injury.
