Article Numbers: 131041, 131038

Safety Instructions:

- Ensure that the workbench is stable and is used on a stable and level surface to avoid tipping over and the risk of slipping.
- Warning of the dangers of improper use, especially when transporting with the swivel castors. All castors must function properly before the workbench is moved.
- Observe the maximum load capacity of 500 kg. Do not exceed this load capacity.
- The workbench should not be used in damp or wet environments to avoid the risk of slipping.
- Point out the correct handling of the workbench during assembly and use.
- Avoid use by unauthorised persons, especially children.
