Safety Instructions:

- Suitable for adults, not suitable for children under 4 years due to small parts.
- The drawers are not tilt-proof due to the weight of the drawer cabinet. Take care when loading.
- To avoid injuries when closing the drawers, make sure that no body parts are in the way.
- Regularly check the condition of the drawer cabinet to ensure that all parts are intact.
- Ensure that the cabinet is placed on a stable and level surface.
- If the drawers are filled too heavily, the cabinet may tip over. Load drawers evenly and avoid opening drawers fully at the same time.
- Only use the recommended materials to divide the drawers to ensure safe handling.
