Article Numbers: 184253, 184252, 184251, 184250, 184249, 184248, 184247, 184246

Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking on small parts.
- Not suitable for children under 3 years, as small parts may be included.
- Ingredients made from recycled material may cause allergic reactions; allergic reactions are possible in case of skin contact.
- The use of improper materials or improper handling of the product can lead to damage.
- Please avoid contact with water or moisture so as not to impair the quality of the paper.
- Store the product in a dry place and keep it away from moisture and extreme temperatures to prevent material deterioration.
- Improper use may result in sharp edges.
- Use with products containing alcohol or chemicals can damage the materials.
- Not suitable for use by children under 3 years of age.
- Make sure that the dividers are correctly inserted into the filing folder to prevent them from falling out.
- Take care not to overload the separating strip to avoid tearing or damage.
