Safety Instructions:

- Ensure that the seat height is set correctly to avoid injuries caused by incorrect posture.
- Improper assembly or use can cause the chair to tip over; make sure that all parts are properly assembled.
- Avoid sitting on the armrests to prevent fractures or injuries.
- Be careful when using the chrome-plated foot ring to prevent it from slipping when getting on and off.
- Limit the maximum user load so as not to jeopardise the structure of the chair.
- Keep the chair away from heat sources, as these can damage the material.
