Safety Instructions:

- Not suitable for contact with food.
- Do not overload the product beyond the recommended total load.
- Do not use drawers near heat sources or in direct sunlight.
- Safe use only in the intended shelving systems.
- The drawers must not be used as toys by small children.
- There is a choking hazard from small parts that can be swallowed by small children.
- The product is made of plastic; be aware that sharp edges can cause injuries.
- Avoid leaving the product near fire or high temperatures to prevent melting or deformation of the plastic.
- The product should not be used by children under 3 years of age.
- Keep the product away from extreme temperatures or intense sunlight to prevent damage.
- Do not overload the drawer to ensure stability and safe handling.
- Use on rough or uneven surfaces to prevent tipping or falling over.
- Do not store the drawer in an environment with extreme temperatures or humidity.
- Follow the instructions for safe handling and care of the drawer.
- If used by children, ensure that the drawers are kept out of the reach of small children.
