Safety Instructions:

- Ensure that there are no sharp edges or splinters that could cause injury.
- Please ensure that the drawer is only used for its intended purpose.
- Store in a safe place, away from heat sources and direct sunlight.
- The use of drawers in the vicinity of children should be supervised to avoid risks.
- When installing or using the drawer, ensure that it is positioned correctly on the shelf or in the magazine.
- Place securely on a level surface to prevent tipping over.
- Must not be stored within reach of children as there is a risk of suffocation from small parts.
- Point out the correct handling when stacking the drawers to avoid injuries.
- Packaging materials must be kept away from children to avoid the risk of suffocation.
