Safety Instructions:

- May break if handled improperly.
- Not suitable for children under 3 years, contains small parts and poses a choking hazard.
- Make sure that small parts do not get into the hands of children to avoid the risk of choking.
- Store the drawers securely to prevent them from falling over or slipping, which could cause injury.
- Packaging materials do not meet the safety requirements for children's products.
- Use in humid environments can impair the material integrity.
- Observe storage conditions to ensure product integrity and safety.
- Label packaging and contents in accordance with the applicable regulations.
